

Good Afternoon Sir,

Thank you for giving me this opportunity to introduce myself.

My name is shraddha sakhare i am from sambhajinagar.

I completed my SSC from the Maharashtra Board then did my polytechnic diploma at k.k.wagh collage,nashik After that,I graduated with a B.E. in Computer Science and Engineering from Amravati University.Right now, I am studying for a PG-DAC course at CDAC Kharghar.

I have a small nuclear family.My husband works as a senior production engineer at the Birla Group,we support each other in our careers.

In my free time, I enjoy listening to music and travelingI also like writing, which helps me improve my research and learning skills.I am good at leadership and teamwork, and I am the technical lead of my BTS team No. 20 .One of my weaknesses is too much emotional sometimes.My short-term goal is to top the module exams, and my long-term goal is to secure a position in a good MNC with highest package.

That's all about me, Thank you.
